The Southern District is looking for at least one more SCSITE member who would like to join the SDITE Information, Communication, & Outreach (IC&O) Committee. If you were looking for more ways to get involved with ITE in the new 2022 year, this is your chance. You will help with newsletters, social media, annual meeting prep & advertisement, and lots of our information and communication elements for the Southern District. It is a fun committee that doesn't require too much time. Interested? Please email Nick Jehn at [nick.jehn@kimley-horn.com](mailto:nick.jehn@kimley-horn.com).

Looking forward to a great year!

Dillon, Jacob, and Katelyn
